|------------|------|--------|---------------|------|--|---|--|---|--|---|--|---|--|--------------|

The best four competitions are counted.

If athletes have the same amount of points (tie) then the higher number of best point races counts. Next criterion is the amount of completed competitions (higher prior to lower). Should then be the same score of points the lot decides.

Persons where in the total valuation is a ?, is present no year of birth, so that a valuation was not possible in the age groups.
